Barry Sternlicht, chairman and CEO of Starwood Capital Group, hosted some of New York City's top brokers at a cocktail party thanking them for their support of Baccarat Residence New York. The property, where prices range from \$5.15 to \$60 million, is now over 60 percent sold. The residences will be completed and closings will begin over the summer with move-ins to immediately follow. Guests at the event included Corcoran CEO Patricia Liebman, pictured above at the Baccarat Sales Gallery with Sternlicht.
